

Term Identification:

Element

Example

Element	Example
Theme	
Main Complication	
Climax	
Denouement	
Setting	
Central Protagonist	
Antagonists	
Character Types	

Find an example for each term above in each film we watch this semester. You may photocopy this work sheet or copy terms and examples on a document you create on a word processor. Always be prepared to turn your work in to me. "Can I turn it in later?" means you didn't do the work. By the way, the answer to that question is, "No".
